

6th February 2013

Dear Parents,

We are holding our **Annual Swimming Carnival** as a day carnival on **Friday 15th February, 2013** commencing at 9:30am and finishing at approximately 3:00pm.

Children will be bused down to the pool at 8.50am to commence our program at 9:30am. Children will be bused back to school at 3pm in time to catch afternoon buses. Children will be expected to return to school unless an adult is present to collect them. All children are required to have their name marked off as they leave the swimming complex.

Entry to the pool will be **\$2** for everyone on the day of the carnival – season passes are acceptable. **Children will also need \$2 bus fare on the day.**

Entries will be taken on the day so children must listen to the announcer for their events. **Children compete in the age group that they turn this year** i.e. if they turn 10 in December they will compete in the 10 years division. If they have already turned 10 but will not turn 11 until next year then they are also 10. Please make sure **your child knows what age group** they must swim in and what events they wish to enter.

Children will require suitable clothing for the day – swimmers, shirt (house colour), sunscreen, hat, as well as plenty to drink and eat. Children are encouraged to wear their House colour in some way to participate in the spirit of the day.

We will also require the **assistance of parents with time keeping**. If you are able to assist please return the note below with your preferred times.

We are looking forward to a great day with our children so come along and join in the fun.

Students are to return their notes and money to Mr. Migheli and/or Mrs. Croft. They will be sitting outside on the basketball court from 8.50 each day. No money or notes to go to class teachers.

Notes and money should be in by Thursday 14th February at the latest.

Thanking you for your support,

Mr. M Migheli

My child _____ in class _____ has permission to attend Ross Hill Public School Swimming Carnival on Friday, 15th February, 2013. The carnival will commence at 9:30am and conclude at approximately 3:00pm. The cost will be \$4.

I understand the costs involved with swimming activities and that travel is by bus.
