5th March 2013

Dear Parents / Guardian,

As we approach the end of Term 1, we wish to celebrate the success of those students who have continually displayed positive behaviour this term. This will be acknowledged with a rewards afternoon on Thursday 7th March. All students who have not received a reflection in the past 6 weeks will be given the opportunity to participate in a games afternoon.

During the afternoon the children will participate in a variety of non-structured games and have an opportunity to enjoy playing with their favourite toys at school. **Each child will be responsible for bringing their own favourite toy or game to be shared with their peers.** These might include card games such as Uno or Old Maid, Barbie dolls, match box cars or a board game like Trouble. We ask that the students do not bring any electronic toys such as Leap Pads, IPods or DS’s.

Thank you for your support. It will greatly assist in the success of our rewards afternoon.

Yours sincerely

Year 2 Staff
